JCT TERMS & CONDITIONS - SUMMARY

Project Mobilization	15 working days from receipt of the Advance Payment, the NOC, Permit Access Permit, Approved Shop Drawings and Materials Approval (whichever is later).
Project Duration	Estimated 75 working days after mobilization.
Approvals	100% advance for processing the drawings for Authorities approval.
Payment Terms	50% advance with order; 45% progress; 5% (max AED 10,000) before Client move-in. Purchases 100% advance. JCT invoices settled within 7 calendar days.
Working Days	8 hours/day (8 am to 5 pm), 5 days/week. NOC / Authority restrictions may affect Project Duration.
Value-Added-Tax	Quoted BOQ prices exclude VAT. JCT charges 5% VAT per UAE / Dubai regulations.

1. Authority actual fees related to application review, modifications and/or extensions are excluded. The Client is also responsible for processing the Refundable Deposit.

2. Should the Client decide to proceed with another contractor after Authorities' approval, JCT is entitled to an additional AED 10,000 compensation fee. The Client must also remove JCT as the main contractor.

3. Work not stated in the Bill of Quantities (BOQ) will be treated as additional work requiring Client approval and may incur extra fees and/or duration.

4. Delays in settling invoices automatically impact the Project Duration and completion certificate application. JCT reserves the right to stop work after 10 days of non-payment.

5. If the Client delays the project beyond 30 days, JCT reserves the right to review costing and charge additional mobilization costs.

6. A 10% compensation fee applies if the Client removes contracted works to perform them directly or through others.

7. Additional administrative fees apply if the Client uses their own suppliers requiring JCT support.

8. JCT is not responsible for delays caused by third-party suppliers or designers hired by the Client.

Full JCT Terms and Conditions form part of this agreement.
